

Hello Future Aviators

Eagle East is starting a private pilot ground school on November 4. This course will meet every Friday from 6pm to 9pm. The course is expected to run for approximately 15 weeks. Cost for the course is \$350 plus books and supplies. Payment for the course is due by the first day of class.

A list of supplies is included below. Bold items are required for the course. Items in italics are recommended, but not required. Books with an asterisk may be used as digital copies. You can obtain these items on your own (through the links provided or other sources), or you can purchase them through Eagle East.

NOTE: The only items not available through Eagle East are the Rod Machado books. Please use the links below to purchase.
